4. Language skills

Participants must be able to communicate sufficiently in English to ensure smooth communication with our Tanzanian team.

In Swahili, participants should be prepared to acquire a basic knowledge of Swahili on site.

5. Step Up Development - Development Aid Tanzania, Expectation from our Volunteers and Interns

4 You will get to know Tanzania and everyday life in an authentic way. Therefore, we expect openness, appreciation and respect for foreign cultures. Furthermore, we expect team spirit, resilience, initiative and the willingness to generally adapt to the conditions in Tanzania and the project house in Ngaramtoni. The project should always be the first priority and therefore the planning of free time should be adapted to the requirements. The core working time is between 4 and 8 hours 5 days a week, which will be discussed at the weekly meeting, as well as desired holiday times for e.g. safaris or various tourist tours.

6. Accommodation in the project house in Ngaramtoni

Breakfast and dinner are served from Monday to Friday. Breakfast includes white bread, margarine, jam and tea. Dinner is mainly prepared from locally grown and available ingredients by our Tanzanian staff, usually Tanzanian dishes. Bed linen is provided, but you have to bring your own towels. Laundry can be done by the staff for a small fee. A hot water tank is available as well as sufficient water tanks, but we are in Africa and unfortunately there are power cuts for some hours and in the hot months there can be water shortages, so please use the water

sparingly. The tap water is not drinking water, guests are responsible for buying their own drinking water, there are opportunities for this in the nearby area. Discrimination and bullying of any kind will not be tolerated. Problems should be addressed openly.

7. Police clearance certificate

We require all participants to present a police clearance certificate.

8. Services not used / travel interruption

In principle, there is no entitlement to a refund of fees already paid if the participant withdraws from the trip, ends it prematurely or decides on other absences within the duration of the trip! We recommend that participants determine the exact duration of their stay in advance and take out travel cancellation, interruption and health insurance.

9. VISA

It is best to apply for your Business - Volunteer - Visa via online, you will receive the link from us after successful registration! The visa costs \$ 250, -- dollars and is only issued for 3 months, no matter how many days or weeks you stay as a volunteer! On arrival at Kilimanjaro Airport, it is also possible to buy the visa, but this causes long waiting times and is often very tedious and payment may only be made in cash in dollars. We will give you the current entry requirements after registration anyway!
